The Student/Parent Handbook is posted on the Calvary Chapel Rialto Christian School (CCRCS) website and has been designed as a tool to help familiarize you with our school and specific school policies pertaining to grades K – 8. The guidelines have been prayerfully considered and established with the students' best interests in mind. The parents are required to read the handbook carefully. You will be held accountable for everything written in this book. If you do not have access to the internet, a printed handbook will be made available to you.

The school administration reserves the right to amend the handbook with School Board approval. You will be notified immediately of any changes made to the handbook. The Calvary Chapel Rialto Christian School Board acts as a legislative body in approving policies and procedures for the school.

By signing below, you are stating that you have read the Student/Parent Handbook.
